PERSONAL STATEMENT

As a software engineer, I am grateful for the opportunity to be able to use my skills in mobile development to make a positive impact. While I am proficient in using Flutter to create engaging and responsive applications, I am always eager to learn and grow in my field. I approach each project with humility and a desire to deliver the best possible results.

EDUCATION

BACHELOR'S DEGREE IN SOFTWARE ENGINEERING

2018 - 2023

King Fahd University of Petroleum and Minerals
